

STUDY IN INDIA AT CK COLLEGE OF ENGINEERING AND TECHNOLOGY (CKCET)

C.K. College of Engineering and Technology (CKCET), accredited with an **'A' Grade** by NAAC, is a premier engineering institution in India. With **state-of-the-art infrastructure, smart classrooms, and advanced research centers**, CKCET provides an ideal learning environment for **international students**. Our institution offers **9 UG programs and 2 PG programs**, including **M.E. (Applied Electronics) and MBA**, ensuring diverse opportunities in engineering and management.

FACILITIES FOR OVERSEAS STUDENTS AT CKCET:

At CKCET, we provide a range of **dedicated facilities** to support international students, ensuring their smooth transition and academic success in India.

1. Dedicated International Student Cell (ISC)

- A specialized **International Student Cell (ISC)** to assist with admissions, visa procedures, and academic counselling.
- **Personalized mentorship** for international students.

2. Hostel & Accommodation

- **Separate on-campus hostels for male and female students**, with fully furnished rooms and **24/7 security**.
- Options for **air-conditioned rooms, Wi-Fi connectivity, and attached washrooms**.

3. Medical & Health Support

- **On-campus health center** with tie-ups with top hospitals in the region.
- Assistance in **health insurance coverage** for international students.

4. Cultural & Language Support

- Special **English language support programs** for non-native speakers.
- Cultural integration programs, including **Indian festival celebrations and language workshops**.

5. Scholarships & Financial Assistance

- Eligible international students can apply for **merit-based scholarships** at CKCET.
- Guidance on scholarships under the **Government of India's Study in India (SII) initiative**.

6. Special Orientation & Induction

- A **comprehensive induction program** to familiarize students with the Indian education system and local culture.
- **Buddy System:** Senior students mentor and support international students.

7. Internship & Placement Support

- CKCET has **strong industry collaborations** for internships and placements.
- Career guidance and **campus recruitment opportunities** with multinational companies.

8. Visa & FRRO Assistance

- CKCET provides **full support for student visa processing and registration** with the Foreigners Regional Registration Office (FRRO).

9. International Mess & Dining Services

- CKCET's **hostel mess serves South Indian, North Indian, and Chinese cuisine**, with options catering to **vegetarian, non-vegetarian, and Halal dietary needs**.

10. Sports & Extracurricular Activities

- Access to **indoor and outdoor sports facilities**, fitness centers, and cultural clubs.
- Opportunities to participate in **national and international technical and cultural events**.

ADMISSION PROCESS FOR FOREIGN STUDENTS AT CKCET (B.TECH & M.TECH PROGRAMS)

Step 1: Check Eligibility Criteria

For B.Tech Admissions:

- Must have completed **12 years of schooling (equivalent to 10+2 in India)**.
- Subjects studied: **Physics, Chemistry, and Mathematics (PCM)**.
- Minimum percentage requirement: **50-75% (depending on the program)**.

For M.Tech Admissions:

- Must hold a **Bachelor's degree in Engineering or a related field**.
- **GATE scores are preferred but not mandatory** for foreign students.

Step 2: Submit Application

- Applications can be submitted **directly to CKCET** or through the **Study in India (SII) portal**.
- Required documents:
 - **Academic transcripts & certificates**.
 - **Valid passport copy**.
 - **Statement of Purpose (SOP)**.
 - **Letters of Recommendation (LORs)** (if required).
 - **TOEFL/IELTS score** (if applicable).
 - **Recent passport-size photographs**.

Step 3: Entrance Exam (If Applicable)

- Direct admission is possible based on **academic merit**.
- Some students may be required to take a **screening interview or test**.

Step 4: Offer Letter & Admission Confirmation

- Upon selection, CKCET issues a **Provisional Admission Letter (PAL)**.
- Students confirm their admission by paying the initial tuition fee.

Step 5: Student Visa Application

- Apply for an **Indian Student Visa (Category 'S')** at the nearest Indian embassy.
- Submit:
 - CKCET's **admission confirmation letter**.
 - **Proof of financial support**.
 - **Medical fitness certificate**.

Step 6: Arrival in India & Registration

- Upon arrival, students must **register with the FRRO within 14 days**.
 - CKCET's **International Student Cell** assists in completing this process.
-
